Merge Assessments

Merge to Assessment

- Math Benchmark
- Student Experience | New Item Bank Assessment
- Student Experience | Flexible Assessment

1. Rename one assessment
2. Click checkmark(s) to select assessment(s)
3. Select “Merge” from the blue banner
4. Select the newly renamed assessment
5. Click Apply

Note: If a student has a score in two+ assessments you are trying to merge, the system will not allow the merge. If you need to adjust the scores, do so in DnA.

Stopping and Resuming Sync

In DnA:

Assessment View > Advanced > Link to eduCLIMBER > Suspend or Resume Sync

Purge vs Disable Data in eC

- **Disable** the assessment group if data should not be visualized.

- **Purge** the assessment group to fully remove data from eC.
(Click [here](#) to learn more)

Delete vs Update Data in DnA

- **Delete** Assessment Views/Assessments if data is no longer needed or all data has been sent (ie previous years data.)
- **Update** Assessment Views if additional assessments in DnA w/same purpose have data.
